BANGALORE, THURSDAY, APRIL 17, 1919.

PART II.

REVENUE DEPARTMENT.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE.

Memorandum dated 7th April 1919.

In view of the apprehended shortage of food crops and fodder in the State during the current year, the Government have been pleased to sanction the undermentioned arrangements and concessions for the cultivation of quick-growing food and fodder crops:—

(1) Assessed unoccupied lands will be granted to the first applicant on payment of an upset price equal to half the value of the malki on the land, provided that the estimated value of the malki does not exceed five years' assessment on the land, on condition that the land should be cultivated with food crops at the next season after the grant and continued to be so cultivated for five successive years.

(2) All unoccupied assessed lands will be allowed to be given for temporary cultivation for three years irrespective of the period for which they have been out of holding, subject to the conditions prescribed under *Eksal Rules*. On lands so granted, one-half of the assessment for each year should be paid in advance at the beginning of the year and the other half during the usual kist bandi season when the crop on the land will have been harvested. The grantee should not interfere with trees or other valuable appurtenances and should hold himself responsible for any loss or damage caused thereto. The period is terminable at the option of the grantee on timely intimation being given to the Taluk Amildar.

(3) The Deputy Commissioners and Sub-Division Officers are authorised to dispose of lands out of gomal and kharab for temporary cultivation where no objection exists, preference being given to the village community if it undertakes the cultivation. This concession will be subject to the following conditions:—

(a) The grant to be for three years.

(b) No assessment will be payable during the first year, half the assessment at the rates prevailing for similar lands in the village will be payable during the 2nd year, the full assessment being leviable during the 3rd year.

(c) Only food-crops (including such manurial crops as are calculated to render land fitter for food-crops) to be raised on the land.

(d) The grantee not to interfere with trees or other valuable appurtenances and hold himself responsible for any loss or damage caused thereto.

(4) Beds of breached tanks which are out of action and which are not likely to be taken up for repair within the next three years will be leased out for temporary cultivation by the Deputy Commissioners and Sub-Division Officers, by public sale, where no valid objection exists.

Notification dated 29th March 1919.

It is hereby notified for public information that the undermentioned jodi village, which has been duly attached in satisfaction of the arrears of revenue due to Government (as shown in the subjoined statement) will be sold by public auction by the Assistant Commissioner, Maddagiri Sub-Division, at the place and on the date mentioned in the annexed statement. The sale will commence at 11 A.M. on the date specified, and the village will be knocked down to the highest bidder without reserve.

2. Provided that, when a village is divided into separate recognized vrittis, the Assistant Commissioner, Maddagiri Sub-Division, may, at his option, instead of selling the village as a whole, sell each vritti separately.

3. The purchaser will be required to deposit twenty-five per cent of the purchase money at the time of sale, and if the remainder of the purchase money is not paid within fifteen days from the day of sale, the money so deposited shall be liable to forfeiture.

4. When such deposit shall not be made, nor the remaining purchase money paid up, the lands shall be resold at the expense and risk of the first purchaser.

5. Persons bidding at the sale may be required to state whether they bid on their own account or as agents, and in the latter case to deposit a written authority signed by their principals, otherwise their bids may be rejected.

6. The sale shall be stayed, if the defaulters, or any other persons acting on their behalf or claiming an interest in the land, tender the full amount of the arrears of revenue with the interest and other charges, before the property is knocked down, or give satisfactory proof that the amount of arrears, etc., has been paid up, or furnish security under Section 170 of the Mysore Land Revenue Code.

7. Purchaser will, as soon as the sale is confirmed, be placed in immediate possession of the village, which will be registered in his name and a certificate of sale, signed and sealed by the Deputy Commissioner, will be granted therefor. It is to be distinctly understood that the Government are not responsible for errors of description or in estimated extent.

8. Provided, parties deeming themselves aggrieved by the sale shall be at liberty to appeal to the Deputy Commissioner, Tumkur District, and the purchase money shall be conditional on the final order on such appeal.
